Thank you for your order at Babyshop.com!

We are very sorry that the item is not to your satisfaction, but you are more than welcome to send the item back to us and have it either exchanged or refunded.

We can only exchange to a different size, not to a different item or colour.

We accept returns on items that are returned within 30 days from receiving the order as long as the item is in the same condition as when it left our warehouse.

It is not a problem to return sales items to us.

For purposes of hygiene we can not accept the following items:

Bottles and dummies, underwear, swimwear, earrings or headbands and hairclips.

Unfortunately we cannot accept returns if:

An item is returned without tags, dirty, worn or shows sign of being used.

When returning shoes, bear in mind that the shoe box is part of the item itself.

Do not tape or write directly on the box, and make sure it is safely packed.
